The ACA Health Benefits Fund provider number is based on the ATMS number plus additional letters ie:

- (1) Beginning with the ATMS number, add the letters AT to the front.
- (2) If your ATMS number has five digits go to step 3. If it is two, three or four digits, you need to add enough 0s to the front to make it a five-digit number eg 123 becomes 00123.
- (3) Add the letter that corresponds to your accredited modality at the end of the provider number:

A	Acupuncture
C	Chinese herbal medicine
H	Homœopathy
