Simon Schot

Simon Schot was one of the inaugural Directors of ATMS and the creator and producer of the first ATMS Newsletter, which preceded the current ATMS Journal. Simon was bestowed Life Membership in 1989 in recognition of the personal and financial support he provided the Association in its early days. Simon was well-regarded amongst the profession and was generous with his knowledge and support of other practitioners and students. In appreciation of his legacy and vision, ATMS have proudly dedicated this Education Grant to Simon since 1998.
